

Lindsey Maratta

RELEVANT EXPERIENCE

BuzzFeed | New York, NY

Senior Product Designer July 2018 – Present

- Lead product design and strategy, define team processes for BuzzFeed's consumer products across web, iOS, Android, and relevant internal creation tools.
- Manage one designer and mentor the design team in product thinking, data inquiry, prototyping, and career development. Recruit and interview design candidates.
- Represent design in cross-functional working groups: user research, SASS maintenance, accessibility, and privacy/GDPR advocacy.

Product Designer January 2017 – July 2018

- Design A/B tests and analyze results to inform consumer product strategy.
- Curate, organize, and cohost biweekly "Design Club" external speaker series.
- Contribute to and train engineers and designers on Solid, BuzzFeed's CSS styleguide.
- Prepare and present public talks within the greater design community.

Associate Product Designer October 2015 – January 2017

- Prototype UX flows for proprietary CMS using appropriate tools, from paper to code.
- Plan, recruit, moderate, analyze, and socialize results of user interviews and usability studies, coach others in conducting user research.
- Give and solicit feedback from design, product, engineering, and users throughout the product lifecycle.

Spartle | Brisbane, Australia (Remote)

Design Lead February 2015 – July 2016

- Led UX and visual design for fitness startup. Defined strategy and roadmap.
- Coached cofounders in user research and applied findings to future release cycles.
- Translated business requirements into prototypes.
- Developed hybrid Cordova mobile app using HTML, CSS, and AngularJS.
